[Condado Vanderbilt](#), San Juan Puerto Rico's most elegant hotel, never looked so good.

An architectural masterpiece that opened to great fanfare in 1919, this 319-room luxury property is known as Puerto Rico's first five-star hotel.

Today's Condado Vanderbilt Hotel welcomes an international clientele with its glamorous salmon-hued interior, one-of-a-kind spiral staircase, stately meeting rooms, world-class restaurants, a spacious spa, Louvre-worthy art-work, convenient upscale shopping, and one stunning mile of sun-splashed oceanfront.

Condado Vanderbilt's Secret

What is the secret to the Condado Vanderbilt's sustained excellence? A good place to start is the service delivered by a team of 385 employees.

Of the Condado's 319 rooms, 107 are suites. Each suite not only includes exquisite indoor and outdoor living space but also offers around-the-clock butler service.

After a meticulous \$220 million renovation, the hotel showcases two new 11-story towers. The hotel's art-deco lobby serves as the bridge between the latest in modern conveniences and an ongoing hospitality story that is second to none.

Accommodating Accommodations and Amiable Amenities

Opulent, spacious, and unforgettable are just three of the words to describe Condado Vanderbilt's exquisite accommodations. Living options begin with a 350-square-foot Heritage Guestroom and soars majestically to a 2,590-square-foot, three-bedroom Presidential Suite. The Condado Vanderbilt's room to room goal is to deliver an unparalleled hotel experience.

Amenities include a 10,000 square-foot Spa, a fitness center with an ocean view, a sublime infinity pool, a cigar lounge, and your choice of wine, martini, and cognac bars. The Condado Vanderbilt also offers a host of conference, reception, and ballroom options that are perfect for the grandest party, as well as the most intimate gathering. And if staying at an oceanfront hotel is your top priority, then the Condado's beach is sure to thrill.

One-of-a-kind special touches are boundless at the Condado Vanderbilt. The Spa features The Hammam, the island's only Turkish Bath. The Avo Lounge not only features a rare selection of cigars, but you'll also find the 19th century Chinese Bronze Incense Burner at the entrance. This artifact is one of the many pieces of artwork on display throughout the hotel.
